

is proud to be a part of the 24th annual PROFIT 200 ranking of Canada's Fastest-Growing Companies by PROFIT Magazine.

Three founding partners, Mrs. Sylvie Bélair, eng. P. Eng., Mr. Antoine Chamberland, and Mr. Patrick Rémy, eng. P. Eng., created C3F Consultants Inc in 2002 with their complicity, efficiency and complementary. Together with their team they have built a firm with an excellent reputation and highest credibility in the telecommunication market.

The mission is to exceed clients' expectations in terms of engineering, installation, maintenance and management of telecommunication networks.

To confirm their quality service, the firm was certified ISO 9001:2008 since July 2004.

The firm's expertise, its team, highly qualified and stable, its ability to obtain the most difficult right of ways, its dedication to meet and often precede its customers deadlines and the diversity of services offered, have all contributed to its continuous growth in the field of fibre optic networks for the past 10 years and for that we are very grateful to all of our customers for their constant trust and business.
